Dear Parents/Guardians,

For our opening staff activity, I had all staff create their own vanity license plates and include items about themselves. Here is my license plate:

- Scream: My last name is Holloran—the majority of my family have vanity plates that center around hollering, such as SHOUT, YELL2, HOLLRN, and 5SHOUTS.
- My family is very important to me.
- Valentine's Day is my birthday.
- Coach: I enjoy coaching. I have coached varsity volleyball, jv softball, JO volleyball, and TTCC basketball. I feel I coach students and teachers in my current role as a principal.
- No dogs: Everyone keeps telling me I need a dog. So, this summer, I had two different opportunities to dog sit. Well, I have made my decision; I don't need a dog!
- Big Bang Theory is my favorite TV show.
- Fishing, golf and jet-skiing are recreational activities that I enjoy doing in my free time.
- Group with the trophy: I am a pretty competitive person, which can be a good thing and a not-so-good thing at times.
- I enjoy reading quotes because they make me think and are inspirational.
- "Always strive to be a better you." It is one of the ways I try to live my life.

I hope you might have learned a little bit more about me. Have a great weekend!

**Update:
Annual Community Rock
Postponed**

Due to unforeseen circumstances, we will not be at the Grange Fair downtown for our annual painted handprints on the rock. However, we will continue the tradition later this month at school.

Free & Reduced Lunch

Reminder, please complete and return the Free & Reduced Lunch application if you feel your family qualifies. Even if you have completed the form in the past or qualified last school year, you **MUST** do a new form every school year. Additional copies are available in the office if needed.
